### Scenario 3: Unknown Organization – Create a New Depositor

1. Select “Not here? Create a new depositor” at the bottom of the company search field. If your depositor is neither verified nor a Google result, you will select this final option. After clicking this option, you’ll be taken to the below page where the company information needs to be filled in. Click Continue.

The screenshot shows a web form titled "So, who pays you?" with a help icon. Below the title is the instruction "Manually enter your depositor information below." The form contains several input fields: a text field for the company name "House of Lilies" with a search icon; a section for "MAILING ADDRESS" with fields for "123 Demo Lane", "Address Line 2 (optional)", and "Address Line 3 (optional)"; two dropdown menus for "Demo" (selected) and "Minnesota" (selected), and "55555" (selected) and "United States" (selected); a "PHONE NUMBER" section with a field containing "(555) 555-5555" and a field for the website "https://houseoflilies.org"; and a "Payroll" section with a text area containing "Payroll". A note at the bottom states "\*Indicates required field." At the bottom of the form are two buttons: "PREVIOUS" and "CONTINUE".

2. The remaining steps are the same as steps 2-5 in Scenario 1.
